ROSH HASHANAH

Rosh Hashanah (literally, the "head" of the year) is the beginning of the Jewish year – and the "birthday" of all of creation. It commemorates the creation of Adam and Eve, the first humans. Man was the first to acknowledge G-d's kingship over the universe, and on Rosh Hashanah we renew this commitment to G-d and His commandments.

THE SHOFAR

The sounding of the Shofar (the ram's horn) is a central observance of Rosh Hashanah. The Shofar calls many things to mind: It symbolizes our coronation of G-d as King, it is a "wake up call" to return to G-d, and it presages the coming of Moshiach, whose arrival will be heralded by the "Great Shofar".

YOM KIPPUR

Yom Kippur, the Day of Atonement, is the holiest day of the Jewish calendar. It is a day of spiritual cleansing: We acknowledge our shortcomings and transgressions, with a firm resolution for a better future; G-d promises us forgiveness, and the chance for a fresh start. We refrain from work, and avoid any food or drink, as well as washing, using oils or lotions, marital relations and regular (leather) shoes.

SUKKOT & SIMCHAT TORAH

The name Sukkot is derived from the word Sukkah, or hut. In commemoration of the protective "clouds of glory" with which G-d surrounded the Jewish people on their way out of Egypt, we live in makeshift huts during the seven days of this holiday. During Sukkot, we observe the special mitzvah of shaking the Lulav (palm branch) and the Etrog (citron). Taken together with the Hadas (myrtle) and the Aravah (willow), these very different plant species represent the unity of disparate types of Jews who, each in their own way, are vital components of the Jewish nation.

Simchat Torah marks the day we complete the reading of the Torah in its annual cycle. On the evening of Simchat Torah, (and in many communities, on the previous evening of Shemini Atzeret as well) we make seven Hakafot (circuits) around the table upon which the Torah is read, dancing and rejoicing with the Torah scrolls. During morning services on Simchat Torah, we complete the Torah, reading the last Torah portion. We immediately start reading the Torah from the beginning again—remembering that the Torah is an endless source of wisdom, each cycle challenging us to discover its ever deeper meaning.

TEFILLIN

Tefillin, or phylacteries, are donned every weekday by Jewish men and boys over the age of 13. The Torah describes Tefillin as a sign, a public statement of Jewish involvement. By donning Tefillin daily, an individual gives expression to his basic feeling of Jewish identity and its importance to him.

The Tefillin are placed on the arm facing the heart, and on the head. This signifies the binding of one's emotional and intellectual powers to the service of G-d. The straps, stretching from the arm to the hand and from the head to the legs, signify the transmission of intellectual and emotional energy to the hands and feet, symbolizing deed and action.

MEZUZAH

The Mezuzah is a small piece of parchment containing the first two paragraphs of the Shema prayer. It is affixed to the doorposts of Jewish homes and businesses.

The Mezuzah reminds us of G-d's constant presence even in our own homes, and His ongoing relationship with us. A kosher Mezuzah protects our homes, too. On the back of the Mezuzah is inscribed the Divine name, Sha-Da-i, made up of three Hebrew letters which form the acronym of the phrase, "Keeper of the Gates of Israel".

The Mezuzah is hand-written on a parchment by a qualified sofer (scribe). To make sure that your Mezuzahs are Kosher, it is important to purchase Mezuzot from a reliable source and to have them checked regularly by a professional sofer. Contact our office for help.

CHANUKAH

The kindling of the Menorah is the focal point of the Chanukah holiday, symbolizing religious freedom and the strength of the Jewish spirit. The Menorah is kindled on each of the eight nights of Chanukah, this year beginning on Thursday evening, December 7.

The Menorah is placed at the left side of a central doorway of the home, or at the front window. The candles should be lit immediately following sunset, and should be prepared so that they will remain lit for at least a half hour after dusk. In keeping with Shabbat observance, the Menorah is lit before the Shabbat candles on Friday evening and after the Havdalah ceremony at the end of Shabbat.

Gather all family members and light the Shamash, the service candle. Recite the blessings, then light the candles beginning from the left. When done, place the Shamash at its designated place, separated from the other candles.

KISLEV 19

"Chassidic Rosh Hashanah". Yartzeit of Rabbi Dov Ber of Mezritch, the second leader of the Chassidic movement (1772). Release from prison of Rabbi Schneur Zalman of Liadi, founder of the Chabad movement (1798). His triumphant release marked a turning point in the spreading of Chassidic thought, and this date is celebrated in many communities throughout the world.

SHEVAT 10

Yartzeit of Rabbi Yosef Yitzchak Schneersohn, sixth leader of Chabad Lubavitch (1950). Rabbi Yosef Yitzchak fought to preserve Jewish life in the U.S.S.R. until he was imprisoned for it, threatened with his life, and then miraculously freed and allowed to leave (1927).

In 1940 he came to the United States and established the network of Chabad-Lubavitch educational institutions throughout the U.S.A. and across the world.

This day also marks the beginning of the leadership of his son-in-law Rabbi Menachem Mendel Schneerson, known as the Lubavitcher Rebbe.

SHEVAT 15 - TU B'SHEVAT

In Jewish tradition, the fifteenth day of Shevat marks the "New Year" for the trees, opening the season in which trees begin to bud in the Holy Land.

It is customary to celebrate this date by enjoying some fruit, especially the five fruits mentioned in the Torah in connection with Israel: Grapes, Figs, Pomegranates, Olives, and Dates.

ADAR

Adar is the month during which we celebrate the joyous holiday of Purim. But it's not just Purim; "As soon as Adar enters", says the Talmud, "start increasing the joy". The joyous spirit continues beyond Purim, making Adar the most joyous month in the Jewish calendar.

SHABBAT AND FESTIVAL CANDLES

Throughout the ages, light has stirred the imagination of poets, mystics, scientists and psychologists. Because its nature is so different from other material entities, it is often used to describe spiritual insight. Shabbat is a day of light; its pattern and value-orientation is different from the other days of the week. Thus it is the lighting of the Shabbat Candles that ushers in this state of awareness and inspires us to feel the way it permeates our lives. The mystics call this day of light the Shabbat Queen, and the responsibility for lighting the candles and inducing this change of perspective is the woman's. It is she who welcomes the Shabbat Queen into the home.

Young girls, from the age of three or even younger, are encouraged to light their own candles, to involve and educate them in this profound and beautiful mitzvah.

The Shabbat Candles are lit 18 minutes before sunset.

THE FAST OF ESTHER

The Fast of Esther is observed on the 13th of Adar, when, during the story of Purim, the Persian king decreed all the Jews to be annihilated. Even after Haman's downfall, the decree was never rescinded, and the Jews gathered throughout the empire to defend themselves. Those who didn't participate in the fighting, including Queen Esther, devoted the day to fasting and prayers for deliverance.

PURIM

The actual story of Purim, as told in the Scroll of Esther, is as fascinating and spellbinding as any best seller. Yet, though it is sacred scripture, we do not find the name of G-d mentioned even once! But within the intricate details of the Megillah, we can detect the unmistakable hand of Divine Providence. And the closer we examine the story, the more we discover that even seemingly insignificant events are precisely arranged by the hand of the Almighty.

HOW TO CELEBRATE PURIM:

- Listen to the reading of Megillat Esther (the Scroll of Esther) at night and day, recounting the story of Purim.
- Send gifts containing at least two types of ready-to-eat (kosher) food to one or more friends on the day of Purim. These gifts, called Mishloach Manot ("sending portions"), should preferably be sent via a third party.
- Give Matanot Le'evyonim ("gifts of charity to the poor"). While Tzedakah (charity) is a year-round responsibility, it is a particularly special Mitzvah on Purim. Give to at least two needy individuals during Purim day.
- Celebrate with a special festive and joyous meal.

CELEBRATING PESACH (PASSOVER)

On Pesach (Passover) we celebrate the birth of the Jewish nation with our miraculous redemption from Egypt. Pesach is celebrated by refraining from eating (or even owning) any foods which are chametz (leavened), and by participating in a Seder dinner on the first two nights of the holiday.

THE SEDER

The Pesach Seder, conducted each of the first two nights of Pesach, is the central event of the Passover festival.

- We drink four cups of wine (or grape juice), remembering the redemption and its four stages.
- We ask the "Four Questions" and recite the Haggadah, retelling the story of Passover and the miracles of our redemption.
- We eat Shmurah Matzah, the plain unleavened bread which isn't allowed to rise, remembering both the simple bread of slaves and the swiftness of the redemption from Egypt.

- We eat Maror (bitter herbs), remembering the bitterness of the enslavement.

THE LAST DAY OF PESACH

The eighth and final day of Pesach is associated with the ultimate redemption through Moshiach, and our fervent hope for its imminent arrival. In many communities, a festive "Moshiach Meal" is organized toward the evening, to emphasize this day's special dimension.

COUNTING OF THE OMER

Beginning the second evening of Pesach, we count seven weeks until the arrival of the festival of Shavuot. They correspond to the seven weeks, starting from the day of the Exodus, during which our ancestors eagerly awaited the receiving of the Torah at Mount Sinai.

MAY 26TH - LAG BA'OMER

PESACH SHENI

When the Holy Temple stood in Jerusalem, this day offered a second chance to offer the Passover sacrifice for those who had been unable to bring their offering at the appropriate time.

IYAR 18 - LAG BA'OMER

On this date, in the early 2nd century, the students of Rabbi Akiva, the greatest sage of that era, ceased to die from an epidemic. Years later on this same date, his student Rabbi Shimon Bar Yochai, Mishnaic sage and author of the Zohar (the seminal work of Kabbalah) passed away. Having fulfilled his mission in this world he asked that the anniversary of his death be celebrated as a joyous occasion. Throughout the Land of Israel – and indeed in Jewish communities throughout the world – this day is marked with festivities and bonfires. In particular, thousands journey to rejoice in the town of Meron, site of Rabbi Shimon's resting place.

THE FESTIVAL OF SHAVUOT

Shavuot celebrates the giving of the Torah at Mount Sinai. It is on this day that we became G-d's "chosen people", and He formed a bond with us which shall never be broken.

SHAVUOT OBSERVANCES

- All-night Torah-study on the first night of Shavuot. What a great preparation for receiving the Torah!
- Reading of the Ten Commandments in the synagogue on the first day of Shavuot. Bring your children along – the guarantors for a proper Jewish future!
- A festive dairy meal is served on the first day of Shavuot. Like milk for an infant, we receive all our spiritual nourishment from the Torah!

KOSHER: SPIRITUAL DIET FOR A SMALL PLANET

For our physical wellbeing, few things are as important as a healthy diet. But the Kosher laws offer the soul similar benefits, and more. The mystical masters teach us that everything we eat has a bit of holiness – a "spark" of Divine energy released when we eat foods prepared in accordance with the kosher laws. Just as the body responds to the quality of the food that fuels it, so too the soul: With appropriate foods prepared in the prescribed manner, we absorb the Divine nourishment that makes for a healthy spirit. Adapting your diet to a kosher lifestyle is easier than you might imagine. The shelves of your local supermarket are stocked with literally hundreds and even thousands of products produced under kosher supervision.

For more information about Kosher, or if you need help koshering your kitchen, please contact our office.

TAMMUZ 3

The Rebbe's Day. A day that encourages us to bond with the Lubavitcher Rebbe, Rabbi Menachem M. Schneerson. Even with the lack of his physical presence since 1994, the Rebbe continues to have an immeasurable impact on Jews and Judaism.

Under his leadership and guidance, thousands of young couples continue to dedicate and devote their lives, through the global networks of Chabad-Lubavitch institutions, to spread Yiddishkeit, goodness and kindness throughout the world. The Rebbe's vision and promise of an imminent redemption, and a world filled with G-dliness, peace and harmony continues to inspire millions throughout the world. Soon it shall surely become a reality.

THE UPCOMING REDEMPTION

The belief in the upcoming redemption is one of the foundations of our faith, and has been promised to us by almost every one of our prophets, beginning with Moses himself. Maimonides included it in his famous Thirteen Principles of the Jewish Faith. Throughout the ages, even during the most trying times, our ancestors have always prayed for and looked forward to the coming of Moshiach, our redeemer.

LET'S WELCOME MOSHIACH

Led by the Lubavitcher Rebbe, Rabbi Menachem M. Schneerson, many prominent Rabbis proclaimed this generation to be the one to usher in the redemption. We can prepare for this special time by studying the relevant passages in the Torah and its commentaries, and by increasing in acts of goodness and kindness. This will not only help us prepare for the redemption – this will hasten its arrival!

Birthday of Rabbi Yosef Yitzchak, sixth leader of Chabad Lubavitch (1880), and his release from Bolshevik imprisonment (1927). He was imprisoned and threatened with his life for his struggle to preserve Judaism in the Soviet Union. His release is since celebrated throughout the Jewish world as a victory for Jewry and Judaism.

Enter the new world of Midtown Station Calgary – Emerging Vibrant Urban District Development

MIDTOWN STATION WEBSITE

SCAN ME

Cantana Investments Limited.

Midtown Station is destined to engender significant urban transformation along the Macleod Trail Corridor. Neighbouring the Chabad Calgary Campus, the proposed development is envisioned as a vibrant, 24/7 urban village, featuring an array of iconic, high-density residential towers, mid-rise apartments and stately townhomes mixed with retail, office and showroom industrial uses in a campus like setting of active streetscapes, mews and squares fronted by bistros, restaurants and boutiques. A key component of the project is a developer-funded, infill LRT station, equidistant between the existing Chinook and Heritage stations. The LRT station will provide an above-grade pedestrian connection to the Fairview community immediately to the east, along with enhanced security features.

TISH'A B'AV - THE NINTH OF AV

The Ninth of Av has been a sad day on the Jewish calendar since our earliest days as a people. Just one year after our forefathers left Egypt, it was on this date that G-d punished that generation, decreeing that they would wander the desert for forty years, never entering into the Holy Land. The focus of our mourning, however, is on the destruction on this date of both the first Temple (422 BCE) and the second Temple (68 CE).

From the beginning of the month of Av (excluding Shabbat), we refrain from consuming meat or wine and from various pleasurable activities as a sign of additional mourning.

The Ninth of Av itself is observed as a fast day similar to Yom Kippur. We refrain from food and drink, as well as from wearing leather shoes, washing or showering, using oils or lotions, and marital relations. Additionally, on the eve of the fast, the scroll of Eichah (Lamentations) is read in the synagogue in a unique chant, which is mournful yet reassuring. Until noon we sit on low seats only, as is customary for a mourner during Shiva. May we merit seeing the ultimate redemption and rebuilding of the Temple by Moshiach, now!

 מנחם אב / אלול תשפ"ד

ELUL

The month of Elul is the time to reflect on the passing year, to examine our behavior and to correct any shortcomings. In synagogues throughout the world, extra prayers are recited daily and the Shofar is sounded every weekday.

THE KING IS IN THE FIELD

When the king leaves his guarded palace and travels through the fields, he makes himself accessible to all – and the people stop what they are doing and come out to greet him, excited by the rare opportunity to see their king up-close. During the month of Elul, G-d is more accessible to us, His people. This notion compels us to stop and reach out to Him through repentance, prayer and charity.

ROSH HASHANAH (STARTS AT SUNDOWN ON WEDNESDAY, OCTOBER 2)

Rosh Hashanah (literally, the "head" of the year) is the beginning of the Jewish year – and the "birthday" of all of creation. It commemorates the creation of Adam and Eve, the first humans. Man was the first to acknowledge G-d's kingship over the universe, and on Rosh Hashanah we renew this commitment to G-d and His commandments.
