## ABOUT YOUR HOSTS

### Chabad Lubavitch of Alberta

Serving Alberta since 1989 | [www.ChabadAlberta.org](http://www.ChabadAlberta.org)

Chabad Lubavitch of Alberta, a CRA registered charity with branches in Calgary, Edmonton and Canmore, has a completely "open door" policy - there is no membership required to attend any program or service. All of Chabad's programs are open to everyone, no matter their background or affiliation.

#### Mission Statement

Inspired by the leadership of the Rebbe - Rabbi Menachem Mendel Schneerson, to extend physical and spiritual help and support to any person in need, and to strengthen and achieve Jewish identity, unity, continuity and growth in all Alberta communities by providing and celebrating educational, spiritual, religious and cultural community programs, for families, children, youth and adults, bringing us closer to a redeemed and perfect world.

#### The Rebbe's message to the world:

"One Act of Goodness and Kindness will indeed change the world and will hasten the coming of Moshaich."

## A MESSAGE FROM CHABAD LUBAVITCH OF ALBERTA

Thank you for joining us at the 2nd Annual Ben Docktor Memorial Golf Celebration honouring and celebrating the memory of Mr. Ben Docktor, Of Blessed Memory, proudly supporting our Camp Gan Israel Summer and Winter Day Camp programs.

We invite you to take an even closer look at the exciting growth of our campus and programs.

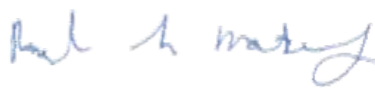

We would be honoured to have you over for a coffee, a tour of our campus, and see first-hand how your involvement is making all this happen.

It takes a community to shape the future!

It takes individuals to shape a community!

Thank you once again for the tremendous support.

Sincerely,

Rabbi Menachem M. Matusof & Mrs. Rochel L. Matusof  
Directors, Chabad Lubavitch of Alberta

# ABOUT BEN DOCKTOR, OF BLESSED MEMORY

G. Ben Docktor, January 16, 1940 - November 1, 2022

BEN WAS A DEDICATED GOLFER THAT NEVER LET A LITTLE RAIN, OR EVEN SLEET KEEP HIM OFF THE LINKS.

HE WOULD BE THRILLED TO BE HONOURED IN THIS WAY.

Ben, of blessed memory, was born in the small farming town of McClusky, North Dakota. After serving in the Army for a brief time, Ben worked as a roughneck in Newcastle, Wyoming. This was the beginning of what became a lifelong passion for the industry. Ben and his family moved to Calgary in 1973, where his business acumen and drive culminated in the creation of many highly successful companies in every aspect of the oil and gas industry and transportation. Ben was a visionary. He had a dream of a world class racing facility in Calgary, and went on to build Race City Speedway, which earned him a place in the Canadian Motor Sports Hall of Fame as a track developer, owner, and driver.

Ben's strength was only surpassed by his generosity of spirit and humanity. He gave to many charitable organizations and was so proud of his fundraising legacy with the B'nai Brith. Ben was a rising tide, lifting-up all those around him. His leadership and mentorship will never be forgotten by the many friends, family, and co-workers he inspired and guided through tough times. He left the world better than he found it and will always be remembered and cherished by those who knew him.

Ben was a supporter of numerous charitable causes as well as to the everyday man or woman that he met on the street needing assistance. He always took the time to stop, talk, give a pep talk, hope, and listen to their stories. It was all about hope, help, and treating humanity with respect. At the end of the day, Ben always said that to be able to help those less fortunate was a privilege and honour. It is wonderful to give to charities worldwide, but don't forget the person you pass on the street. This won't get you headlines in the newspaper, but that feeling you get inside when you help your fellow man can't be replaced by headlines.

We are proud to honour Ben's memory alongside his loving wife Diane Docktor, their children, Terry OBM, Julie, Bobbie Jo, Mark, and Benjamin, grandchildren Isaac, Katie, Jenna, McKenzie, and Miles (Moshe), and four beloved great-grandchildren, and many nieces and nephews.

## A MESSAGE FROM THE DOCKTOR FAMILY

On behalf of myself and the entire Docktor family I would personally like to thank everyone for attending the second annual Ben Docktor Memorial Golf Celebration. Your participation in this tournament means so very much to us.

Ben would be proud to see the love and support you are giving to the children's camp at Chabad Lubavitch of Alberta. Ben treated all the little kids he met at the camp like they were his own grandchildren. At times like this my heart swells with pride knowing that so many people have given their time and hard-earned money to support a cause that Ben and I have been a part of for so many years.

I still have a great time playing golf whenever I can, knowing that my husband of 50 plus years is watching over me, and maybe giving the ball a little nudge closer to the hole every once in a while.

I hope you all have a terrific day on the course and many thanks to you all for participating in an event that Ben would be proud to be the host of. Share a laugh or a little story about Ben when you are on the course today in memory of my wonderful husband. I know he is up there watching!

Many thanks to Rabbi Matusof and Chabad Lubavitch of Alberta for making this tournament such a success and honouring Ben's memory and his love of golf!

Hope to see all of you for the third Annual Ben Docktor Memorial Golf Celebration in 2025!

*Diane Docktor*

## ABOUT CAMP GAN ISRAEL

Camp Gan Israel in Calgary is well known for its program and devoted staff, with our sole interest placed upon giving the best care and attention to every child in camp.

Our camp is not just recreational, but also nurtures a growing awareness of Judaism while enjoying the best possible camp experience. Therefore, we cannot afford to exclude any child due to a lack of funds.

For the past 11 years we have added a program to the camp which is the Lunch & Snack program. We provide freshly prepared lunches and two daily snacks to each child.

The drive behind the undertaking of such a costly program (over \$25,000.00 for the six weeks of summer camp), was simply to assure that no single child remain hungry (either as a result of the parents not having enough time to pack a lunch or snack or because of a lack of money and food in the house).

Your participation and support here today assists our charity in making sure that no child should be denied the best camp experience.

On behalf of the directors, staff,  
and every child that attends  
Camp Gan Israel, Thank You!

## 7 Things You Can Do for Israel Now

Help by taking an action from this list,  
and by sharing it with family, friends and colleagues

It's been months that our hearts and minds are with our brothers and sisters in Israel.

It has been months that our heroic IDF soldiers are on the front lines, combatting the terrorists and doing their utmost to bring back the hostages.

In this critical time, we all ask:  
What can I do for Israel? How can I help my brothers and sisters in the Holy Land?

There is much we can do, no matter how distant we are geographically.

The Torah teaches us (and history has repeatedly demonstrated to us) that the physical protection of each one of us – and, indeed, our very collective destiny! – is intrinsically connected to our spiritual activism.

When we pray or dedicate a good deed to our brothers and sisters in Israel, we create a spiritual defense shield for them that will help them through difficult and dangerous times.
