# ABOUT YOUR HOSTS

Serving Alberta since 1989 | [www.ChabadAlberta.org](http://www.ChabadAlberta.org)

Chabad Lubavitch of Alberta, a CRA registered charity with branches in Calgary and Edmonton, has a completely "open door" policy - there is no membership required to attend any service or program. All of Chabad's programs are open to everyone, no matter their background or affiliation.

## Mission Statement

Inspired by the leadership of the Rebbe - Rabbi Menachem Mendel Schneerson, to extend physical and spiritual help and support to any person in need, and to strengthen and achieve Jewish identity, unity, continuity and growth in all Alberta communities by providing and celebrating educational, spiritual, religious and cultural community programs, for families, children, youth and adults, bringing us closer to a redeemed and perfect world.

## The Rebbe's message to the world:

"One Act of Goodness and Kindness will indeed change the world and will hasten the coming of Moshaich."

GET TOGETHER. GET INSPIRED. MAKE IT REAL!

## **A MESSAGE FROM CHABAD LUBAVITCH OF ALBERTA**

Thank you for joining us at The Inaugural Ben Docktor Memorial Golf Celebration honouring and celebrating the memory of Mr. G. Ben Docktor, Of Blessed Memory, supporting the upgrades to our campus and outreach programs.

We invite you to take an even closer look at the exciting growth of our campus and programs and would be honoured to have you over for a coffee, a tour of our campus, and see first-hand how your involvement in making all this happen.

It takes a community to shape the future!

It takes individuals to shape a community!

Thank you once again for the tremendous support.

Sincerely,

Rabbi Menachem M. Matusof & Mrs. Rochel L. Matusof  
Directors, Chabad Lubavitch of Alberta

## A MESSAGE FROM THE DOCKTOR FAMILY

On behalf of myself and my family, I would like to personally thank you everyone for attending the first annual Ben Docktor Memorial Golf Celebration. Your support has meant so very much to us, and of course Ben would have been thrilled to know that it was a sell out! We all know how much Ben liked to just get it done! He would be overwhelmed with pride.

I too, am so delighted to be a part of this Memorial to my beloved husband of over 50 years, who introduced me to the game of golf. We had many, many good times on the links, wherever we were. Several of those golf games included playing with many of you here today. I truly appreciate the fact that golf was a part of Ben's life where he could relax and just have fun, although running the businesses was still a huge part of his day, golf and family time gave him a reprieve.

Ben will be watching over us this day, as we can reminisce about the times we spent with him and the many stories of things that happened over the years.

Many thanks to Rabbi & Mrs. Matusof and Chabad Lubavitch of Alberta for proposing this tournament and of course to all of you for supporting and making this tournament a success.

Hope to see you back next year for the second annual Ben Docktor Memorial Golf Celebration!

*Diane Docktor*

# ABOUT BEN DOCKTOR

G. Ben Docktor, January 16, 1940 - November 1, 2022

**BEN WAS A DEDICATED GOLFER THAT NEVER LET A LITTLE RAIN, OR EVEN SLEET KEEP HIM OFF THE LINKS. HE WOULD BE THRILLED TO BE HONOURED IN THIS WAY.**

Ben, of blessed memory, was born in the small farming town of McClusky, North Dakota. After serving in the Army for a brief time, Ben worked as a roughneck in Newcastle, Wyoming. This was the beginning of what became a lifelong passion for the industry. Ben and his family moved to Calgary in 1973, where his business acumen and drive culminated in the creation of many highly successful companies in every aspect of the oil and gas industry and transportation. Ben was a visionary. He had a dream of a world class racing facility in Calgary, and went on to build Race City Speedway, which earned him a place in the Canadian Motor Sports Hall of Fame as a track developer, owner, and driver.

Ben's strength was only surpassed by his generosity of spirit and humanity. He gave to many charitable organizations and was so proud of his fundraising legacy with the B'nai Brith. Ben was a rising tide, lifting-up all those around him. His leadership and mentorship will never be forgotten by the many friends, family, and co-workers he inspired and guided through tough times. He left the world better than he found it and will always be remembered and cherished by those who knew him.

Ben was a supporter of numerous charitable causes as well as to the everyday man or woman that he met on the street needing assistance. He always took the time to stop, talk, give a pep talk, hope, and listen to their stories. **It was all about hope, help, and treating humanity with respect.** At the end of the day, Ben always said that to be able to help those less fortunate was a privilege and honour. **It is wonderful to give to charities worldwide, but don't forget the person you pass on the street.** This won't get you headlines in the newspaper, but that feeling you get inside when you help your fellow man can't be replaced by headlines.

We are proud to honour Ben's memory alongside his loving wife Diane Docktor, their children, Terry OBM, Julie, Bobbie Jo, Mark, and Benjamin, grandchildren Isaac, Katie, Jenna, McKenzie, and Miles (Moshe), and four beloved great-grandchildren, and many nieces and nephews.

# GOLF RULES OF THE DAY

## Texas Scramble (Best Ball Format)

Each foursome must use at least three (3) drives per golfer.

Each player hits their own ball from the tee on every hole.

The team then decides which ball is in the best position and then moves the other three balls to that position. The next shot is then played from the chosen position.

Continue this process until the ball is holed.

All female participants will play from the Red tees.

All male participants will play from the White tees.

Mulligans are not allowed on tee shots where a hole-in-one prize is available.

Please hand in your scorecard following your round.

All players are to observe proper golf etiquette; ie. follow all course signage, repair ball marks, fix divots, rake traps, etc. Any player not displaying proper etiquette may be removed from the course.

Cart Path Only on All Par 3's as well as where indicated.

On behalf of the Canadian Motorsport Hall of Fame (CMHF) and Canadian racing enthusiasts, we offer our condolences on the passing of Ben Docktor and we wish you all the best for a nice day on the golf course during The Ben Docktor Memorial Golf Celebration.

An avid racer, Ben competed in stock car and road racing events. But his true gift to Canadian motorsports was the creation of Calgary's Race City Motorsports Park, a multi-purpose racing facility that - for more than two decades - hosted grassroots and major oval racing, road racing (cars and motorcycles), drag racing and karting events.

In addition to being an inducted member of the CMHF (Class of 2011), Ben was also a longtime, major supporter of the Hall.

The Canadian Motorsport Hall of Fame is dedicated to celebrating and honouring the history of Canadian motorsports. From our perspective, Ben Docktor's contributions to Canadian racing - and his financial support of the Hall - make the Canadian Motorsport Hall of Fame a part of Ben's legacy.

Ben Docktor's biography is a permanent fixture on the 'Inductees' page on the CMHF.ca website ([cmhf.ca/ben-docktor](http://cmhf.ca/ben-docktor)). We invite you to visit the website to read about Ben and the 274 other individuals and entities who have been inducted since the Hall was founded in 1993.
